Easy Thread Design with Optimizer Arm.

CT-55-2

The operator simply folds the top flaps of the corrugated carton and feeds it into the machine. The CT-55-2 applies a single tape strip to both the top & bottom of the case simultaneously. This two belt drive design is a heavy duty versatile machine designed for dependable performance and easy operation. The CT-55-2 can be easily adjusted in only seconds to process a different size carton. Excellent for wider, taller heavier boxes.
